NOTICE OF TOWN HALL MEETINGS

Regarding Rule Revisions for HFS 110-113

The Emergency Medical Services Section for the State of Wisconsin has been revising the administrative rules affecting emergency medical services. In an effort to effectively communicate its intentions and elicit community feedback the section will be holding 12 town hall type meetings across the state to openly discuss the rough draft of the proposed rules. **THESE ARE NOT THE OFFICIAL RULE HEARINGS.** We encourage anyone interested in commenting or providing constructive feedback to this process to attend. The Emergency Medical Services Section, in conjunction with the Governor appointed Emergency Medical Services Board, will use the information and discussions to revise and finalize the draft of the administrative rules. A copy of the most current draft may be found at our website located at www.dhs.wisconsin.gov/ems.
